

GES8™ Series Gas Extraction Suits

Features

- The GES8™ Series gas extraction suit kit features a 3-layer balaclava, coverall, and kitbag. It is the perfect solution to keep you safe when you are working near gas lines or anywhere there is a risk from a prolonged flash fire. The suit allows the worker at least 8 seconds of time to get away from the fire to safety.
- Suit comes equipped with a front zipper with velcro closure and a harness port located in the center of the back.
- The back of the suit has an elastic waist which creates a comfortable fit and the legs have a velcro closure to prevent flame entry.
- Additional features include knit cuffs with thumb holes on sleeves, 26" leg zippers with vent panel, reinforced knees, and hi-vis suspender style tape.
- Made in the USA
